Preschool (ages 2 to 6)

LIL' K—An interactive program for ages 2 to 6; LIL' K provides a fun and simple way to reach preschoolers with the transformational truth of God's Word. Through creatively taught Bible stories on DVD and active learning, preschoolers can begin to realize that church is fun and God's love for them is real.

Elementary (ages 6 to 12)

KIDMO—an interactive multimedia-based curriculum for grades 1 to 6; KIDMO initiates personal, social and cultural transformation by connecting kids with a biblical worldview. In order for transformation to be realized, kids must be needed, valued and engaged in mentoring relationships. What's more, their church experience must be relevant to their daily lives. Kids have energy, availability and enthusiasm to accomplish great things. By teaching kids to develop a biblical worldview, we can

impact their everyday choices and actions. We can ignite an awakening that will impact generations to come.

Memory Verses (& Rewards)

Each week, the children will work on memorizing a verse from scripture.

- Preschool — 1 verse / month
- Elementary — 1 verse / week

Students who successfully memorize their scripture verse, will be rewarded with a small token each week, with an ultimate reward at the end of the "term".
