

Neighbourhood Minister — Newmarket Church of Christ

Do you dream of joining God's mission? We're looking for a passionate follower of Jesus to step into a unique role as **Neighbourhood Minister** in Newmarket Heights, an urban community where our church has been practicing the *sharing of God's kingdom through friendship with the neighbourhood* for over 15 years.

This is more than a job — it's an invitation to live in the neighbourhood, build authentic relationships, and walk alongside people as neighbours and friends. You'll join a congregation committed to social justice, hospitality, and reimagining what church looks like within a specific neighbourhood.

What You'll Bring

- **A deep love for Jesus** and a life shaped by His story.
- **A heart for justice and compassion**, especially for neighbours who are marginalized or struggling with food insecurity.
- **A people-first posture** — you thrive on presence, conversation, and community.
- **A commitment to the local church** and its role in God's mission.
- **An entrepreneurial spirit** — creativity, adaptability, curiosity, and vision.

Who This Role Might Be For

- Recent or soon-to-be graduates seeking meaningful ministry experience before seminary or graduate study.
- Students in theological training who want real-world, contextual church experience.
- Pastors or ministers in transition, looking for space to rest, reimagine, and re-engage with missional ministry.
- Anyone longing for a church that takes God's mission in the city seriously and wants to join that adventure.

Why This Matters

This role is not just about programs or tasks — it's about embodying God's kingdom in everyday life. You'll walk alongside us and be supported by a congregation that has been on this journey for years.

If this excites you, we'd love to talk. Please email us at newmarketcofc@gmail.com and explore our website, www.newmarketchurchofchrist.ca
